Community Members Aged 75+ Encouraged to Sign Up for Novant Health MyChart Account for Covid-19 Vaccine Appointments

SOUTHPORT— In adherence with state guidelines, Novant Health, Doshier Memorial Hospital and Brunswick County Health Services are encouraging community members, ages 75 and older, who are interested in receiving the COVID-19 vaccine to [sign up](#) for a MyChart account. Community members eligible at this time for a vaccination will be notified through their MyChart account, through which they can then schedule their vaccination appointment. Recipients do not need to be affiliated with a specific healthcare system to sign up for MyChart or to receive a vaccination.

Due to limited vaccine availability, vaccinations will be by appointment only and at a centralized location in Brunswick County.

For more information on the COVID-19 vaccine, visit NovantHealth.org/CovidVaccine.

For more information on Doshier's patient and community information regarding COVID-19, go to Doshier.org/COVID.
