## **Doshier Appoints Cynthia Ricks as Health Information Management Coordinator, Medical Auditor**

Southport – Doshier Memorial Hospital staff member Cynthia Ricks was recently promoted to the position of Health Information Management Coordinator/ Medical Auditor.

After attending South Brunswick High School, Ricks received her Associates degree as well as a diploma in Health Information Management from Brunswick Community College and also received her state certification as a RHIT (Registered Health Information Technologist), all while working full time at the hospital. Ricks began her tenure at Doshier in 2004 as a Patient Access Associate and within two years, was promoted to a supervisor role. Ms. Ricks served in that position for 10 years and then transferred to Medical Records after receiving her degree.

“Cynthia has not only been a valuable member of the Doshier team for 16 years, she has also been willing to expand her education and skillset to meet the changing needs of our organization,” said Doshier CEO Dr. Brad Hilaman.

“Healthcare is a rapidly evolving environment,” noted Lynda Stanley, President of Doshier Memorial Hospital and Foundation. “We welcome the opportunity to promote associates who deliver excellence in their work along with the commitment to growth that Cynthia has demonstrated.”

A native of Southport, Ms. Ricks raised her children in Winnabow, where she currently lives today.
