Doshier Hospital Cafeteria Closed to the Public

SOUTHPORT— Effective immediately, the Doshier Hospital Cafeteria will be closed to the public until further notice, in an effort to take every possible safety precaution for our patients and staff, in light of the Coronavirus outbreak. On March 17, Doshier suspended eat-in dining in response to an executive order from the Office of the Governor, offering carry out meals to visitors, however, at this time, it is in everyone's best interest to limit cafeteria operations further, preparing meals for patients and staff only.
