SOUTHPORT—Today, Doshier Memorial Hospital announced that Board-certified family medicine physician G. Thomas Holland, MD, has been appointed as the organization's Chief Medical Officer. Dr. Holland will transition into this role, where he will work closely with Doshier Medical Staff leaders and other physicians to expand hospital and community health initiatives, upon Dr. Brad Hilaman's retirement this fall.

Dr. Holland, who has served as a staff physician at Doshier Memorial Hospital for over 23 years, graduated from the University of North Carolina at Chapel Hill School of Medicine and completed his internship and residency at the Charleston Naval Hospital in South Carolina. Dr. Holland was Chief of Staff at Doshier from 2009-2011, served as the Director of the Doshier Skilled Nursing Center from 2000-2013, was a member of the Doshier Medical Executive Committee for six years, and is currently serving as the Chair of the hospital's Credentials Committee. Lynda Stanley, President of Doshier Memorial Hospital, said, "Dr. Holland has been a champion of our patients, community, and our hospital. We have unreserved confidence that he will provide medical oversight and program development that is fully aligned with the core values of our organization."

Dr. Holland, a primary care provider at Doshier Medical-Oak Island, will continue to treat patients through November 30, 2021. Patients of Dr. Holland may request to establish themselves with another physician within the Doshier provider network who is currently
