A Word From Dosher Foundation President, Lynda Stanley

Welcome to the “Foundation Focus!” One of the goals of the Dosher Foundation is to maintain consistent communication with our donors and supporters. Our hope is that this monthly newsletter will allow you to be the first to know what’s new at the hospital and to see the projects and improvements that your donations help fund. We look forward to connecting with you through stories about our patients, staff, events, and Foundation members to give you a more personal snapshot of the organization that you have generously supported.

I would like to introduce you to Antonette (Toni) McAndrews. Toni has recently joined the Dosher Foundation as our Development Specialist. Toni has an extensive background in fund raising, event planning, marketing, and public relations with several non-profit agencies in both NC and FL. Toni will be working closely with the Dosher Foundation Board and Foundation supporters in event planning and fund raising and will play a key role in keeping the lines of communication open between the hospital and our donors. Enjoy the newsletter!

About the Dosher Memorial Hospital Foundation: Since opening its doors in 1930, Dosher Memorial Hospital has received excellent financial support from its friends and neighbors in the community it serves. As the hospital has grown, however, increases in giving options, as well as the hospital's donor base, have created the need for a central channel through which funds may be received, recorded and allocated. To meet that need, the Dosher Memorial Hospital Foundation was established in March of 2010. The Foundation's primary responsibility is to encourage a steady flow of funds to the hospital from individuals and organizations within the hospital's service area. These funds enable Dosher Hospital to continue providing its patients with the finest healthcare equipment, programs and services possible, as well as provide the resources necessary for construction, expansion and remodeling projects.

Thank You for Your Support!

Donation Dollars At Work!

Funds raised by the Dosher Memorial Hospital Foundation help provide the hospital with updated equipment and program and service enhancements which ensure our community members receive the highest level of care. Items such as cardiac rehab bikes and treadmills, x-ray machines, diabetes software, mammography supplies and blood culture machines have been purchased with Foundation donations.

How You Can Donate / Types of giving

There are a wide variety of methods by which you can make a contribution to the future of healthcare through the Dosher Hospital Foundation. The following are some of the possible types of gift vehicles which may be utilized to make a contribution to the Dosher Hospital Foundation: Cash, Personal Property, Real Estate, Stocks, Bonds, Securities and Life Insurance.

Annual Giving Fund: Because of the annual support of friends like you, Dosher Memorial Hospital can continue to grow and fulfill its mission of providing comprehensive medical care to the citizens of Smithville Township and surrounding communities…care that is Patient Focused, Quality Driven, Efficient and Provided by Professionals. Call (910) 457-3936 for more information.
When It Comes To Cardiac Rehab, You
Have Our Heartfelt Commitment

It takes team work to manage a heart condition. It begins with experienced clinicians, an exercise program, nutrition counseling, stress management and most importantly; a patient willing to make the effort. The Dosher Cardiac Rehab group is here to provide you with the knowledge and tools you need to make healthy lifestyle changes and to support you in your recovery...every step of the way!

Cardiac Rehabilitation at The Dosher Wellness Center
3009 Medical Plaza Lane, Southport, NC
(910) 457-3871

Dosher Wound Care Center Recognized for Clinical Excellence! The Wound Care Center at Dosher Memorial Hospital has been recognized as a Center of Distinction for clinical excellence in patient satisfaction and wound healing rates for the fifth year in a row. The criteria for this recognition requires achieving or exceeding outstanding clinical and operational results, including patient satisfaction rates higher than 92 percent and a heal rate of 92 percent in less than 28 median days to heal.

Mondays
On Facebook Live

1 Physician | 1 Topic | 2 Minutes
Join Dosher Family Medicine Physician Dr. Sarah Ward every Monday at 11:30 am on Dosher Memorial Hospital’s Facebook page for a “live” 2-minute topic talk about a relevant health issue.

Dr. Ward is currently accepting new patients at Dosher Medical -Atlantic Avenue. Call 910-454-4635 or go to Dosher.org/DrWard for more information.
Heart to Heart 2021

Heart to Heart, The Dosher Foundation's women's heart health program, has been a much anticipated annual event which in past years, has provided a fun night out for our local community in addition to offering valuable information on heart health.

This year, due to safety precautions, Heart to Heart went "virtual." We invite you to watch the taping of the program, which streamed from the Dosher Cardiac Rehab on February 16th. Included in the speaker lineup were Dosher Cardiac Rehab patient Kay Jolliff who shared her heart story, and Dr. Timothy Winslow from Cape Fear Heart Associates who discussed heart disease risk factors and prevention.

Visit www.dosher.org

Thank you to the Tom and Susan Rabon Charitable Foundation for their generosity in donating $3,200 to purchase a Cardiac Rehab bike in honor of Ms. Pat Eide.

Mark Your Calendar!

May
Lupus Awareness Month
Arthritis Awareness Month
Stroke Awareness Month
Mental Health Awareness Month

The 2nd & 4th Wednesday of the month are “The Total Joint Experience.” Our goal is to prepare you for this experience and help you set expectations for a speedy recovery. We believe an educated patient will recover quicker and get back to normal life activities. Sessions are the second and fourth Wednesdays of every month 11 a.m. to noon, in the second floor conference room at the hospital. The class will help patients know what to expect.

For more information, call our Nurse Navigator for Total Joint Replacements at (910) 457-3944.
Please Consider Donating Today

Your donation funds much needed hospital equipment such as cardiac machines, x-ray machines, treadmills and software.

You can designate where your donation is to be used or it can be put to good use in the Greatest Need Fund.

Your donation is tax deductible.

You can give annually or make a recurring donation (we’ll set it up for you) such as joining the Captain’s Club $1,000—$2499 annually ~ Admirals’ Club $2500 or more annually.

There are a variety of methods by which you can make a contribution to the future of healthcare through the Dosher Hospital Foundation. You should select a method that will work best for you.

Where Your Donation is Needed

Greatest Need Fund:
Contributions will be put to valuable use where the greatest need is at the time of the contribution.

Building Fund:
Contributions will be applied toward necessary hospital construction, expansion and remodeling projects.

Equipment Fund:
Contributions purchase or assist in funding the purchase of medical equipment for the hospital.

Scholarship Fund:
Contributions financially benefit students pursuing careers in healthcare.

Other Funds:
Contributions can be given to a department or service of the hospital, as requested by the donor.

Where to Mail Your Donation:
Dosher Memorial Hospital Foundation
924 N. Howe Street
Southport, NC 28461
A tax deductible receipt will be mailed to you.
