Socially distant farewell event planned for Dr. Douglas Hiltz January 13th

SOUTHPORT—This month, longtime Internal Medicine Physician Dr. Douglas Hiltz will be retiring. Dr. Hiltz has been practicing medicine in the Southport Area for over 30 years, and has been a loyal and valued member of the medical staff at Doshier.

On Thursday January 13th, the hospital is throwing Dr. Hiltz a “drive-by” send-off directly outside his office at Doshier Medical-Smithville Crossing, between 12:00 - 1:00 pm. All who wish to honor Dr. Hiltz are welcome.

Due to high level of community transmission of COVID-19, hospital officials ask that all attendees stay in their cars and adhere to the drive-by format of the event, enabling us to be social while remaining at a safe physical distance.

The event will be held at 1513 N. Howe Street outside of Dr. Hiltz’s office. Please enter via the Robert Ruark Drive entrance so that when you drive up, your vehicle is on the correct side of the parking lot to pull up to the sidewalk outside of the medical office.

Dr. Hiltz will be outside the office to greet his guests.
